Mahalo to our Special Guest Michael Dennis from National Geodetic Survey (NGS). You did an awesome job installing our 2020 officers and pronouncing all our names :)

Michael Dennis was also our Keynote Speaker for the conference!

Your new 2020 HLSA President Mr. Cliff Yim, PLS of STG, giving his first ever president speech!!

Cliff also serves in the Hawaii Army National Guard since 2016.

Old friends reconnecting at the banquet. Always a nice time to have cocktails and talk story with other surveyors.

Joanne Williamson (NSPS Director) and Darryl Cadiz (HLSA Member)
